

Independent Audit Report

To the members of the Multicultural Communities' Council of SA Inc.

We have audited the accompanying special purpose financial report comprising the statement of financial position, operating statement and notes to the financial statements of the Multicultural Communities' Council of SA Inc. (MCCSA) for the year 30 June 2016. MCCSA's committee of management is responsible for the financial report and has determined that the accounting policies used are consistent with the reporting requirements of the MCCSA's constitution and are appropriate to meet the needs of the members

We have conducted an independent audit of the financial report in order to express an opinion to the members of the MCCSA. No opinion is expressed as to whether the accounting policies are appropriate to the needs of the members.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee of management's financial reporting requirements under the MCCSA's constitution. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 to the financial statements. The audit opinion expressed in this report has been formed on the above basis.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Qualification

As is common for organisations of this type, which are administered by volunteers and with the nature of the operations, it is not practical for the entity to establish accounting control over the various sources of receipts and expenditure, before banking. Therefore it is not possible for our audit to confirm that all revenue has been received, and all expenses paid, other than from which is recorded in the books and records of the MCCSA.

Audit Opinion

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the limitation of the scope of my work as discussed in the qualification paragraph not existed, the financial report represents fairly in accordance with the accounting policies described in Note 1 to the financial statements the financial position of Multicultural Communities' Council of SA Inc, as at 30 June 2016 and the results of its operations for the year then ended.
