COVID-19 UPDATE 11: THURSDAY 2 APRIL 2020

Flinders Medical Centre expansion

The expansion of the Flinders Medical Centre Emergency Department, as part of the \$45.7 million [Southern Health Expansion Plan](#), will commence today.

The expansion is being brought forward by four months to provide extra capacity throughout the COVID-19 pandemic.

Heat maps

[Heat maps](#) that identify confirmed COVID-19 cases since 1 February across metropolitan and regional South Australia are now available.

These maps show residences of confirmed and recovered cases, and will be updated on a daily basis to depict additional cases across the state.

SOUTH AUSTRALIA COVID-19 CASES

There have been 18 new cases of COVID-19 today, bringing the total to **385** confirmed cases in South Australia since 1 February 2020.

To date, 44 people have been confirmed cleared of coronavirus, however we expect this number to increase as our data is updated.

We are continuing to investigate a cluster of 17 cases linked to baggage handlers at Adelaide Airport.

Cases linked to the Ruby Princess cruise ship have increased by 3, to 81 people.
