## COVID-19 UPDATE 15: WEDNESDAY 8 APRIL 2020

### **Second death in SA from COVID-19**

Sadly, SA Health can confirm a 62-year-old woman from metropolitan Adelaide passed away this morning from COVID-19 in the Royal Adelaide Hospital.

The woman acquired COVID-19 from the Ruby Princess cruise ship. Her passing is the second death in South Australia from COVID-19.

### **2020 Flu Vaccine now available**

South Australians eligible for a [free influenza vaccine](#) through the National Immunisation Program are being encouraged to contact their immunisation provider to book in to get immunised against the flu.

233,000 doses of the vaccine have been distributed to immunisation providers in the first two weeks of the rollout. All SA Health staff are eligible for a free flu vaccination again this year.

### **SOUTH AUSTRALIA COVID-19 CASES**

There have been **5** new cases of COVID-19 today bringing the total to **420** confirmed cases in South Australia.

There have been **4** additional cases linked to the Adelaide Airport cluster, taking the total to **33** cases.

There is an additional case of local transmission, taking it to **5** cases but cases remain under investigation.
