
The Aon Insurance Review Checklist

Aon has put together the checklist below to make sure you review your policies annually and that you currently have the correct and adequate coverage.

- Have you confirmed that you have the correct cover? Yes No
- Have you reviewed all sums insured? Yes No
- Have you declared all events and activities of your organisation? Yes No
- Have you correctly declared your revenue? Yes No
- Do you have a risk management program in place? Yes No
- Have you checked your contracts to ensure correct cover and limits? Yes No
- Have you checked for any Hold Harmless or other agreements that may affect your insurances? Yes No
- Do you run websites or gather people's personal information or credit card details?
(If "YES" speak to the Aon NFP Team about Cyber Insurance) Yes No
- Have you had alternate quotes on your insurance policies to ensure coverage and price is still correct and affordable?
(If "NO" speak to the Aon NFP Team about reviewing your insurance policies) Yes No
